

The Charleston Catholic School 2023 Summer Reading List Rising Second Grade

CCS encourages students to explore new worlds through books this summer. Reading will help keep skills sharp for next year and will help develop an appreciation for books. The public library is a wonderful source for stories and books that students can explore. Students can also participate in their summer reading program. Daily reading, especially from a variety of materials, is a healthy habit for a lifetime.

Rising second graders are asked to read ten (10) books from the recommended list below or other selected books of interest. Advanced readers should be reading chapter books. Your library will have other age specific suggestions for summer reading.

Keep a record of what you read over the summer and turn it in the first week of school. Happy Reading!

Suggested Summer Reading:

Amelia Bedelia Series (Parish)
Why Mosquitoes Buzz in People's Ears (Aardema)
The Madeline Books (Bemelmans)
