

Parents,

I look forward to working with your child this coming year as his/her homeroom teacher!
Please see the following summer assignment as well as some suggestions for summer work to keep academic skills sharp:

Summer assignment:

- Read 3 books and record the information on the sheet attached. Detailed instructions are included on the next page.
- Complete the three math pages for skill review (in this packet)

Suggested work (NOT required, these are just some ideas if you are looking for academic support over the summer)

- math fact flash cards (addition, subtraction, multiplication, division)
- online math programs such as IXL, reflex math, or ABCYa
- workbooks (a variety of summer bridge workbooks are available online. One I really liked from my old school is called "Summer Solutions" and they have both math and language arts workbooks.

I hope you all have a fantastic summer, and please know that I am praying for your families all summer long as I prepare for this coming school year!

God keep you,
Ms. Margaret Howe
4th Grade Teacher

The Charleston Catholic School
2024 Summer Reading List
Rising 4th Grade

Enjoy reading over the summer. Please take advantage of the many programs at the local libraries and bookstores over the summer. Students are asked to read at least 3 books from all different genres: fiction, realistic fiction, historical fiction (Revolutionary War to Civil War), biographies, mysteries, etc.

You will need to keep a record of what you read. Please list the **title and author**. You will need a parent signature, and you will submit this record on the first full day of school. **It will count as your first Reading test grade. You are welcome to read more than three books, and I've provided you space to write additional titles.** You only NEED to read THREE. You can choose from the list below or select your own.

Newberry Medal books

One and Only Ivan
Girl Who Drank the Moon Crossover
Summer of the Swans
Mr. Popper's Penguins
Hello Universe
The War That Saved My Life
Brown Girl Dreaming Bud, Not Buddy
