# *A 100-Year-old tradition of Educating Children at the Corner of King and Huger*

Whether under the care of Sisters of Charity of Our Lady of Mercy, Sacred Heart School, or the Charleston Catholic School, children and families have been served and educated at 888 King Street for a century.

Regardless of changes at our address - from a 1938 tornado destroying the hall where classes were held to name changes, population shifts, economic peaks and valleys, a pandemic, and more, the mission to provide a top notch education to children is the foundation from which we have never wavered.

For the last 34 years, The Charleston Catholic School has proudly honored this legacy.

Reaching children from all walks of life and different faiths, 53% of students at The Charleston Catholic School receive some form of financial aid. 55% benefit from subsidized tuition rates through their parish. Every child is supported in a loving, Christ-centered environment that provides excellent academics, education in the arts, and the opportunity and encouragement to serve one another and their community.

Celebrating our emphasis on the arts and giving to our community, we are excited to present *Saints with Soul*- a concert for all ages featuring two-time Grammy Award winning artist Charlton Singleton.

Just as Charleston Catholic offers the best in education, Charlton Singleton will be bringing the best of Soul music's golden era to a fun night at Firefly Distillery, enriching the lives of attendees and benefiting The Charleston Catholic School.

## *Saints with Soul*

Saturday, May 9th 2026
